# Switchgear Refurbishment

## **Switchgear Specialists Providing:**

### **SPARES**

*Is ageing switchgear a problem? We can manufacture spares to suit your requirements.*

### **UPRATING**

*Have your short time, or continuous current requirements increased recently?*

*We design manufacture and test current carrying components as required.*

### **COMPLETE OVERHAULS**

*Is the cost of new gear prohibitive? Our staff will completely refurbish existing switches on site or in our factory.*

### **OTHER SERVICES**

- Periodic Maintenance.
- Emergency Repairs.
- Site Installations.
- Consultancy Services
- Manual Power Conversion of Disconnecter Operators.
- Distribution EDO Fuses, (CUT OUTS) EDO Fuselinks, Spare Fuse Carriers and HV Isolating Links.
- Disconnectors and Earthing Switches 12kV to 362kV.

*We are a wholly owned privately operated Australian Company. Our personnel bring together expertise accumulated over many years and have been associated with well known companies including Taplin, Brown Boveri, ALM, Dickson Primer and ABB.*
